

# Reducing the Cost of the School Day

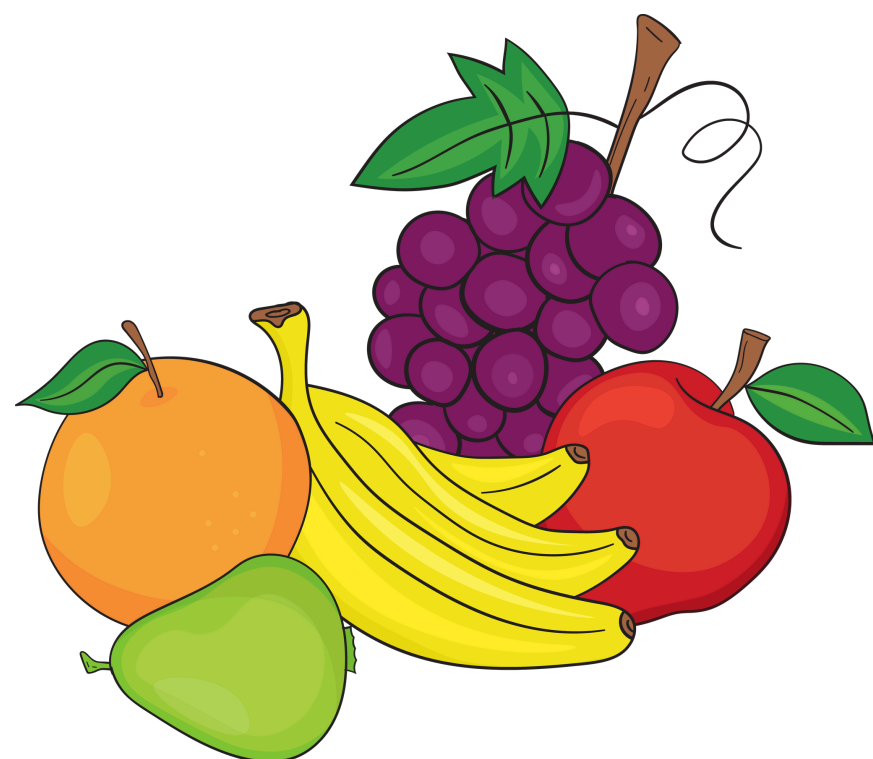

We will...

Provide a 'Good as New' uniform bank free of charge.

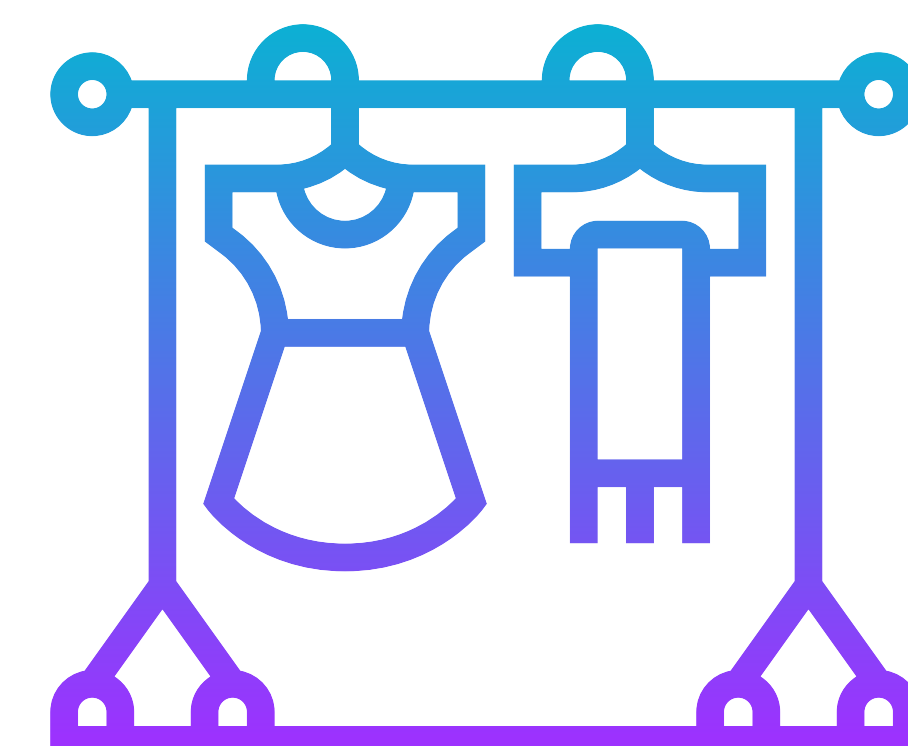

Give advance notice of school trips and options to pay in instalments.

Have free healthy snack options for pupils who need them.

Ensure period products are available in all appropriate toilets.

Never insist pupils purchase a costume for parties or events - a dress down option will always be available.

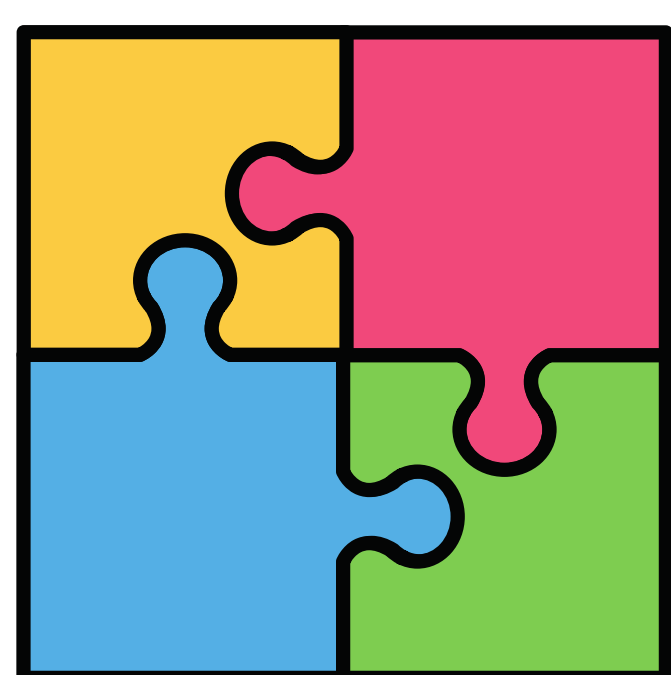

Provide options for free after school or lunch clubs.

Ensure basic items such as pencils, rubbers etc. are freely available for all children.

Respect each family's personal circumstances.

Link with partners to provide families with maximising financial support.

Always be supportive of families, never judgemental.

Recycle Halloween costumes and Christmas jumpers, making them available to anyone that needs one.
